

Spring/Summer 2012 Grounds Crew Help Needed

2 hours per month. 2-person teams will be responsible for mowing grass. We need help at both BTP and CTK campuses. Help is also needed to maintain the flower beds which involves weeding & trimming. This would be a nice project for a family or organization, you can select a section of beds to maintain. Contact Pat Caprez at 330-929-4516 or pcaprez@att.net
