Financial Contributions

Monetary donations are preferred as they allow the Food Pantry to buy needed food in bulk – meaning your contribution stretches farther, and 100% of your financial contributions goes directly to purchase needed food items. The Food Pantry has a carefully designed plan for food distribution to provide 3 meals per day for 3 days to help families meet emergency food needs. Please make checks payable to “Blessed Trinity Food Pantry” and mail to 300 E. Tallmadge Ave. Akron, OH 44310.

Grocery Bags

The Food Pantry is always in need of **brown paper grocery bags** to pack food for distribution. Each month, 300+ families rely on the Food Pantry for emergency food assistance – hundreds of grocery bags are used each week to meet this need. Durable reusable shopping bags are also welcomed by our clients who take the bus or walk to the Food Pantry. (no plastic bags please)

Non-Grocery Items

The Pantry also accepts non-food items such as shampoo, soap, toilet paper, etc. We do not normally accept clothes or other household items, but we can suggest other outreach programs that do accept these items.

Fundraisers

Holding a fundraiser with your youth group or community group to collect canned goods or monetary donations is a great way to support the Food Pantry. Consider making the Food Pantry your priority charitable cause for your next social or community gathering.
