Anonymous donor

Thank you to all who have donated to our Memorial Fund this past January through June of 2021. All the Memorial Fund donations listed on this insert are from donations received to the Memorial Fund through the white envelopes with a pink border found in your collection envelope packets or donations to the Memorial Fund by a parishioner, when someone passes away.

This list is different than the yearly "Memorial Association" donations which is the list found on the back of the bulletin. The Memorial Association is from an annual donation of \$75 for a memorial that is placed on the back of the bulletin from July—June for one year.

Donations made to both the Memorial Fund and Memorial Association are used towards purchases of liturgical items for Blessed Trinity Parish. Thank you for your generosity!
