Thank you to all who have donated to our Memorial Fund. All the Memorial Fund donations listed on this insert are from donations received in the Memorial Fund envelopes (white envelopes with a pink border) found in your collection envelope packets and donated between January 2022 and June 2022. These are different than the yearly "Memorial Association" donations which is the list found on the back of the bulletin. The Memorial Association is from an annual donation of \$75 for a memorial that is placed on the back of the bulletin every week from January through December for one year. Your donations to the Memorial Fund and Memorial Association are used towards purchases of liturgical items for Blessed Trinity Parish. Thank you for your generosity!
